CLEVER CRAFTS – QUICK & CHIC!

PRETTY GARDENS – BRIGHT, HAPPY!

Seeds for reads – brilliant!

Here's a worthy excuse to get gardening...

Exclusive Books' campaign, Seed the Love, urges you to buy a R15 bookmark with carrot or beetroot seeds. For each one sold, the store will donate a seed strip to FoodBank, which aids areas suffering from food shortages, plus R5 will be donated to the Exclusive Books Reading Trust. Once your little seeds have grown to harvest, spread the charity by baking something delicious. Carrot muffins anyone?
